

HOW TO MANEUVER

This guide is a publication in digital form, consisting of text, images, and maps readable on computers, referred to as an e-book. This e-book is easy to maneuver from page to page, and section to section by various ways. All the featured destinations in the guide are linked in the Quick Reference Guide, Index, Area Maps and Contents pages to the corresponding Featured Lake page, which can be accessed by clicking on the page or area map numbers.

For best viewing, click on "View", then "Page View", then click on "Two Page View."

Click on icon to print page.

Click on the up or down arrows to go to the previous page or to the next page.

This number shows what page you are on.

Click on the minus or plus icon to increase or decrease the size of the page.

Click on the drop arrow to increase or decrease the size of the page.

Click on the icon to increase the window width and enable scrolling.

Click on the icon to fit e-book to one page view.

When you click on the "thumbnail" tab, (located on the left hand sidebar it will open up thumbnail size images of all the e-book's pages. You can also click on the "Bookmarks" tab to open the e-book's Table of Contents and other sections contained in the guide. (Note: The thumbnails and Bookmark tabs are viewable via the e-book saved to your computer and not on the website PDF.)

Click on the "Page Thumbnails". tab to open up thumbnail size images of each page.

Click on the "Bookmarks" icon to open up the Table of Contents.

Click arrow to close window.

Click on the Thumbnail to open that page.

The scroll tool bar is located on the far right hand side of the computer screen.

Click on the up or down arrow to move from page to page.

Or slide the grey tab up or down to quickly scroll through the pages.
